

# Scones

New!

Satisfy morning cravings for buttery pastries with our freezer-to-oven scones! Our scones begin with seven, simple ingredients and then are filled with real fruits and spices to create our delicious flavors. They bake from frozen dough into buttery pillows of pastry, with just enough crunch on the outside and soft, delicate layers inside. Their rich, unique flavor will have you reaching back for another!

## Suggested Use

Thaw squares of dough for 10 minutes, then cut on the diagonal into triangles. Bake for 17 minutes and ice with a glaze style icing. Perfectly sized to merchandise in a package of 6. SRP \$3.99.
