# Hand Pies

Introducing new fruit-shaped Hand Pies made with a laminated all- butter pie crust and a whole fruit filling. Our pies are filled with raw fruit, lemon juice and a touch of sugar, giving them a homemade, unprocessed flavor profile.

Each pie is cut in the fun shape of its signature fruit! The crispy, buttery crust is easy to hold and eat and bursting with sweet, tangy fruit in every bite.

**Serving suggestion: brush pies with an egg wash or add a sugar dusting after baking.**
